### ***Presentation***

The “Circolo della Lirica di Padova”, established in 1983, promotes cultural passion for operatic singing and melodrama in the city of Padua. A city that has an illustrious tradition, represented by the two hundred year old Teatro Verdi. This association has been the principal point of reference to the Town Council of Padua in the organization of one of the most important cultural events of the opera season. The goal of the International Competition "Iris Adami Corradetti" is to promote the art of Italian operatic singing.

This recognition encourages us in presenting a Masterclass and Auditions for singers. To welcome and accompany these young artists on a short but intense journey. Developing their own particular talents along a career path that is both demanding and rewarding.
